Guidance Notes

GENERAL

All sections of the Referee Registration Form **must** be completed as indicated with the exception of the Equal Opportunities Monitoring questions, which are optional.

The completed forms should be returned to your County FA by **8/29/2007** and NOT the FA.

REFEREE LEVEL

We would like to have a declaration of when you first registered and the highest level you have ever attained under the new 1-10 levels (as opposed to the 1-3 classification) so that we may cross check our records.

CHILD PROTECTION

For those referees 18 or over who have not already undertaken both Child Protection training and a CRB check you must do so as soon as possible in order to register. Those Referees under 18 must have completed CP Training in order to register. Please contact your County FA for further help and advice. Please note that if your CRB check is in progress then it will not appear on this form. If you have completed these requirements but they do not appear on the first page of this form then please inform us as soon as possible. Please note that the Child Protection and Best Practise training programmes are being renamed as Safeguarding Children as of March 2007.

PROMOTION

If you are a level 7 or 6 referee wishing to apply for promotion this must be made separately in writing as per FA regulations to your County FA so that you are included in the Promotion Scheme commencing 1st March 2008. If you are a level 7 referee you must serve a minimum of one complete Registration Period or 12 months in that classification, whichever is shortest, to be eligible to apply for promotion.

HOW THE FA USES THE INFORMATION

The FA or County FA (together "we") will publish a directory of Referees from time to time and will put your name and contact details into this directory. If for any reason you do not wish your details to be published in the directory, please contact your County FA or indicate this when returning your form.

We ask for details of ethnicity, religion and disability status for equal opportunities monitoring purposes. Monitoring is recommended by the codes of practice published by the Commission for Racial Equality, the Disability Rights Commission and the Equal Opportunities Commission to eliminate discrimination and promote equality. In this regard this information will be used to monitor the impact of our action plans to increase diversity within refereeing.

We may send you information from time to time that you may find useful in your capacity as a Referee and we may use your monitoring information specifically to send you information about various training opportunities and access to our services that are available to all Referees.

We will not use your monitoring information for any other purpose nor will we disclose these details to any third party. The provision of this information is optional.

SHARING INFORMATION

The information that you provide on the Referee Registration Form is confidential except to the extent that we have to make disclosures to prevent children from being placed at risk. Such disclosures could be to official agencies for example the Police or Social Services which have a duty to investigate allegations of child abuse and criminal activity, football clubs and other individuals and organisations sharing concerns regarding child protection. Any disclosures will be made in accordance with the Data Protection Act 1998.

YOUR RIGHT TO ACCESS THE INFORMATION

You have the right to access the information that we hold about you. In order to do this please make a written application to either your County FA or The FA as applicable. We may require you to provide verification of your identity and to pay an administrative fee (which is currently £10) to provide a copy of the information that it holds. Please note that in certain circumstances we may withhold access to your information where it has the right to do so under current data protection legislation.
